S.H.E. Teacher of the Year*

## Reading Fun Under the Sea

## Coach's Corner

Heart disease is the leading cause of death in the United States. The month of February is dedicated to raising awareness about heart disease and increasing knowledge about prevention. Educate yourself on the dangers of heart disease and get on track to better heart health. It's never too early to start learning about heart health. Some helpful tips to help your heart include: join a team or organization, enjoy family outings by riding a bike or taking a walk, give gifts that promote fitness like bikes and jump ropes, and try to be active after school. The more you move, the more your heart beats! Keep that heart happy and healthy!

## GUIDANCE CORNER

February is a great time to focus on being kind and "filling buckets". Please continue to share the love of kindness throughout the month.

In a world  
where you can  
be anything...

Be Kind

### Partners in Education

Thank you for giving back to local schools! Your support is appreciated!

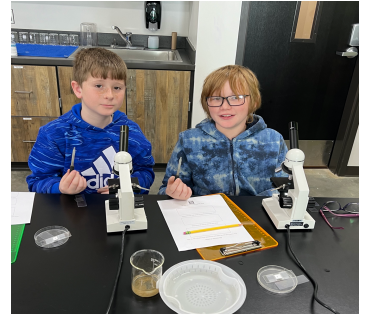

will host Spirit Night  
for Scenic Heights  
on February 21<sup>st</sup>, 5-8pm

A portion of sales will be donated to our school. Sounds like a great night to skip cooking and get tacos/burritos for dinner.

Thank you for supporting our local business partners who give back to students.

### Fifth Grade enjoyed trips to Roy Hyatt Environmental Center

COME & JOIN US FOR OUR

PLEASE CHECK WITH TEACHER FOR SIGN UP OR EMAIL [PTAScenicHeights@gmail.com](mailto:PTAScenicHeights@gmail.com)

The poster features a festive design with colorful triangular bunting at the top. Two hot air balloons, one blue and white and one red and white, are floating in the sky. Below them are two red and white striped tents with yellow stars. Two bulldogs are sitting on the ground in front of the tents. The text is centered and uses various colors and fonts to create a vibrant and inviting look.

### Fourth Graders at the Pensacola Art Museum
