## Coach's Corner

Breakfast is an important meal for growing children. Studies show that breakfast eaters tend to have higher school attendance, less tardiness and fewer hunger-induced stomach aches in the morning. Their overall test scores are higher, they concentrate better, solve problems more easily and have better muscle coordination. Children who eat breakfast also are more likely to maintain a healthy weight and get enough calcium, too. Whether your children eat at home or at school, be sure they eat a nutritious breakfast every day.

## Student Council Book and Stuffie Drive

### WHAT?

Scenic Height's 5th grade Student Council is hosting a book and stuffie drive for Valerie's House.

### WHY?

Valerie's House is a non-profit organization that offers FREE counseling services to support children that have lost a parent or close loved one. They provide grief support for these families. One way they do this is by giving children a free book about grief and a new stuffed animal.

### HOW?

Students are collecting donations of new books and stuffed animals for Valerie's House as welcoming gifts for the children. A specific list of books are listed when you scan the QR code below. Please send donations to Scenic Heights Elementary School, 3801 Cherry Laurel Drive, Pensacola, FL 32504 or have your student bring their donations to school to drop in the donation box in Bulldog Alley.

### WHEN?

We are collecting donations March 11-15, 2024.

Thank you in advance for supporting our student council. Teaching the value of giving back is one of the most important things we can teach our kids, and we appreciate your support in helping us do that!

Scan here for a list of needed books!

### Partners in Education

Thank you for giving back to local schools!  
Your support is appreciated!

**Bubba's 33 will host Spirit Night for Scenic Heights on March 19th from 5-9pm.**

A portion of sales will be donated to our school. Sounds like a night to skip cooking and eat out as a family. This is a great way to support our school. Thank you for supporting our local business partners who give back to students.
