Coach's Corner

With end-of-year parties and events come lots of unhealthy foods like cupcakes and pizza. And while it's good to celebrate and enjoy, try not to let your child have too much junk food. Healthy and regular meals will help your child stay fueled for those final tests. Avoid skipping breakfast, and keep healthy snacks on hand.

Guidance Corner

Congratulations, Bucket Fillers of the Month!

Inclement/Severe Weather

For the safety and concern for our students, faculty, and staff, we will utilize a safer procedure during inclement/severe weather. When inclement/severe weather occurs during dismissal, such as lightning or dangerous downpours, all walkers and car riders will be taken to the cafeteria. If your child is normally a walker, he/she will be brought to the cafeteria to wait for pick up in the car rider line. Walkers and Car riders will be called from the cafeteria to be released in the car line. We will form one single car line during inclement weather. **Please have your official car tag displayed in the passenger side front window.** All parents of walkers/car riders must have an official car tag or you will be asked to park and come in to show your ID. You may obtain an official car rider sign from the front office if you need one.

Thank you for your patience.
