## TESTING

STATE TESTING *Continues* THIS WEEK!

It is important for students to be **on time** each day ready to learn and show what they know.

Please encourage students to get a good night's sleep, eat a healthy breakfast, and remember all needed items. **Do NOT bring** cell phones, blue tooth watches or ear buds as those items are **NOT allowed!**

## Coach's Corner

With spring in full swing, many students and families begin to think about the end of the school year. When it's warm and light outside, it can be more difficult to enforce bedtime, but it's super important to help your child continue to get a good night's rest through the end of the school year. Stick to your child's regular bedtime and continue to make time for homework and at-home reading. Help your child develop responsibility and perseverance by maintaining that good learners do what they need to do until the job is done. Sunny days and a looming summer vacation can't stop motivated and eager learners! Maintaining your school-year schedule will help reinforce these beliefs.
