	Brag tag and bracelet	35
	Bookmark and homework pass	50
	Book	75
	AR water bottle	100
	Recognition on CPTV and trophy	150

More About Accelerated Read (AR)

What is AR?

The Accelerated Reader (A.R.) program is a computerized program that tests reading comprehension. Students select books on their reading level and take an independent comprehension test on the computer. Each book is worth a certain number of points based on its length and reading level. Students get a percentage of these points based on how many of the test questions they get right. The program tracks their progress over the course of the school year.

Who provides the prizes?

Through our school's P.T.A., students receive awards that are distributed based on AR points earned.

When do I get my prizes? Points will be tallied periodically throughout the school year and prizes distributed after each review of points.

How do I get my prizes? Prizes will be delivered to the student's classroom and distributed by the classroom teacher at their convenience.

Prizes are subject to change based on budget and availability.
